“Merri is hard working, dedicated, organized and committed individual. I have work with Merri in a couple of situations and have always found her upbeat, above the line and focused on the task at hand. She has made numerous contributions both from a strategic position and application process. I would not hesitate to work with Merri in the future and see her as a great asset to any team or department.” June 12, 2008

“Merri was my student in the AssistU Virtual Training Program in 2009. She was one of the most dedicated and conscientious students in the group and always performed beyond expectations. Despite some unexpected personal challenges, Merri persevered, completing the rigorous course and passing the final with very high marks. Her positive attitude, attention to detail, and her willingness to do whatever it takes are the qualities that clients need and appreciate. It is a pleasure to recommend Merri as a highly qualified Professional Virtual Assistant who goes beyond and delivers more than promised.” February 21, 2010
